ATTENDANCE FACTS

- Missing an average of 2 days/month puts students at risk of falling behind in school.
- About 1 in 6 students struggle with attendance in the U.S.

ATTENDANCE FACTS

- In 2018, 6 million students had poor attendance. In 2021, that number increased to 16 million.
- When students improve their attendance, they improve their learning!

Only stay home if you are truly sick.

Avoid scheduling appointments during school hours.

Remember that school is your most important job.

Plan trips when school is not in session.
